HOCKEY CAMP

OUR MISSION

To provide a full-day, developmental, summer ice hockey school for boys and girls, ages 7-12, that utilizes the many on and off-ice talents and facilities that Nichols School has to offer.

OUR STAFF

The Summer Hockey Programs at Nichols are developed and directed by Tim Vanini '87, Nichols School Boys Hockey Coach. Tim's staff is comprised of other coaches that have played and coached youth, high school and college hockey. You can be confident that the program provided is consistent with philosophies and strategies that have made Nichols Hockey among the top boys and girls hockey programs in Western New York and the Northeast.

FULL-DAY HOCKEY CAMP

The park-like setting of our North Buffalo Campus is ideal for this full-day hockey camp. In addition to the three on-ice daily training sessions, each camper will spend a portion of their day participating in off-ice activities to help hone their hockey skills and further their physical development. Soccer, basketball and ball hockey are just a few examples of the activities available. Lunch will be provided Monday through Thursday and each camper will receive a Nichols Hockey Jersey.

The camp runs 8:00 a.m.—5:00 p.m., Monday through Thursday. Friday is "Game Day" and we will dismiss before lunch.
